

Band Bio

Using the music and visuals of a live Queen show as the template, Q: The Music of Queen recreates the excitement and spectacle of one of rock's most iconic bands.

Featuring a setlist filled with stunning vocal and guitar harmonies, Q will take you through the 21-year history of Queen, from the early days to their triumphant performance at Live Aid in 1985.

From classics like "Under Pressure" and "Another One Bites The Dust" to deeper cuts like "Keep Yourself Alive" and "Bicycle Race", no Queen song is too ambitious or bombastic for this group of talented musicians to take on.

Led by the soaring vocals of Sean Finch, the band's lineup also includes Taylor Bini (percussion/vocals), Dave Parent (bass/vocals), Daniel Elliott (keys/vocals), Mary Bolner (drums), and is rounded out by the guitar duo of Albert Steves (guitar/vocals) and Ryan Chadek (guitar) - tasked with recreating Brian May's larger-than-life guitar harmonies.

It's your chance to sing along to all your favorite Queen hits! Of course, what Queen tribute would be complete without an ambitiously accurate live performance of the iconic mega-hit "Bohemian Rhapsody"?

Every detail of the music has been painstakingly recreated so that the experience of a Q show is nothing short of spectacular! Whether it is a large venue or private party, Q: The Music of Queen will deliver a Mercury-esque performance. Bottom line: we will rock you.
